Due to some necessary database updates being rolled out to UC Recruit, our local Live/Production site https://recruit.ap.ucsb.edu/ (not the Training site) will be down for maintenance on:

**Tuesday, April 11th, 7:30 a.m. - 8:30 a.m.**

The changes are intended to improve the reliability and consistency of the data maintained in UC Recruit and also address several bug and security issues.

Please let us know if there are any questions.

Thank you,

UC Recruit Support Team
